

We envision the mission of a modern sports infrastructure owner as bringing together a vast array of high-quality services in a single location.

To fully realize the project's potential, it is essential to provide not only state-of-the-art sports facilities but also convenient  changing rooms,  dining areas, and flexible spaces  for additional activities.

**This is our  
concept**

# This is our concept

We envision the mission of a modern sports infrastructure owner as bringing together a vast array of high-quality services in a single location.

To fully realize the project's potential, it is essential to provide not only state-of-the-art sports facilities but also convenient  changing rooms,  dining areas, and flexible spaces  for additional activities.

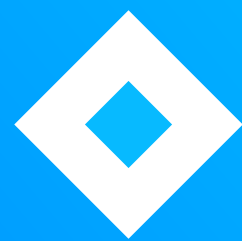

# Sports and Education Center

Moving away from just renting sports facilities, focusing on creating a complete product that attracts all family members.

Children's football and hockey academies.

Dance, yoga, general physical training, chess, educational activities for children, shooting practice, educational courses.
